HELP WANTED

FACILITIES MAINTENANCE SUPERVISOR

Domaine Carneros seeks a hands-on Facilities Maintenance Supervisor responsible to ensure the efficient utilization of winery equipment and facilities. In this position you will provide direction to maintenance staff for repair, modification and maintenance of equipment and facilities. Establish and maintain daily work schedules, maintenance records and inventory of equipment. Negotiate with vendors, seek bids from suppliers and independent contractors, and oversee contracted work to ensure compliance. Interface with government officials related to inspections, OSHA regulations and other business. Winery systems include electrical, plumbing, HVAC, solar, production equipment and tanks, fresh water, industrial and sanitary waste water, wells, water storage tanks, refrigeration, and elevators. You will participate as a key member of the winery's safety team and supervise two maintenance staff members. Qualified candidates please respond with resume, cover letter and salary history to: resume@domainecarneros.com. [231]

CONTROLLER
